No lab on 3/2 (:

But TAs will be at 326 for questioning

Lab 2

GitLab: lab-html

Grading

There must be:

- Header: Home/About (20%)
 - both pages
 - link to another page
- Table (40%)
 - header
 - form and button
- Paragraph, divider, and selector (40%)

Grading

- Please refer to [lab-html](#) on GitLab for detailed scoring
- Submission
 - Score * 100%: before the lab ends (i.e., 0223 17:20)
 - Score * 60%: before today's 23:59 (i.e., 0223 23:59)
- Discussion is not allowed

Workflow

1. Fork our template repository on GitLab
2. Clone **the forked** repository to your computer
3. Finish your lab
4. Commit in your computer
5. Push to Gitlab
6. Send merge request of **your branch** to our template repository
